Well the year 2020 hasnt been all that great of a year so far and it is only half over. Kimberly and I havent been getting along at all she seems to want to spend more time with her friends than me and Robby. There has been this new virus they call Covid-19 causing everything to shut down. Fedex hasnt been all that great got injured a few times my knees keep giving out and i have sprained my hand once. Work has been extra busy this year. Looking forward to my brothers wedding in Mississippi this september havent seen him in years hoping this virus doesnt screw it up. also have a cruise in Febuary but they keep extending the no cruise order because of the virus hopfully it doesnt get screwed up. Donald Trump is still the president god forbid hopfully he loses in november did get my first ever new car this year yay me wanting to find a new job and hopefully do online college to get my degree to get a better job tired of living paycheck to paycheck.
